

Southern Harford County Rotary Club Presents

# *Grahamtastic!*

**HILARIOUS HYPNOSIS ENTERTAINMENT**

Graham presents a rollicking hour of nonstop comedy hypnosis entertainment. This show has been enjoyed by thousands of fun loving comedy fans across the country. Audience members are invited onto the stage to use the power of hypnosis to turn ordinary people into SUPER STARS.

Imagine you or family and friends on stage performing as Elvis Presley, jockeys, 2nd graders, pregnant men, hula dancers or werewolves. The situations are only limited by your imagination. See the show, be the show, but don't miss the show. All welcome, but must be 18 years or older to participate on stage.

Graham has been involved with hypnosis since his college days, where he used this technique to improve his golf skills. Now a well known Consulting Hypnotist and Stage Hypnotist, Graham has presented his comedy stage show at varied venues across the country. Formerly focusing on corporate shows and private groups, Graham has expanded to more public venues, and his shows can now be enjoyed by all at various venues across the country.
