

ROTARY

EPIISODE VIII

A N E W H O P E

It is a period of great giving. Local Rotarians, striking from Southern Harford County, have won another great victory with their latest Snowball.

During the Gala, Rebel spies managed to steal secret plans to the Rotary's next ultimate fundraiser, the 2019 Snowball, an event with enough power to give significant grants to local nonprofit organizations.

Pursued by Southern Harford County Rotary, a lone rebel races across Harford County to share the stolen plans for the 2019 Snowball on January 26th.

Save the date, and may the Rotary be with you.
